Worcester Futsal Club Official Club Sponsorships 2019-20 Season

Who are we?

Worcester Futsal Club (WFC) prides itself with being an important and ever-growing part of the local community within the areas of Worcestershire and Herefordshire, UK. The club currently comprises of a main first team and an expanding number of youth teams from ages 9 to 16, as well as plans to create teams specifically for woman and players with a disability within the next few years. One of the club's main beliefs is that Futsal should be an opportunity for all local people, irrespective of disabilities or impairments. We currently have established players in our first team and academies who have a recognized disability.

The first team have recently received exciting news from the FA recently confirming that the club will be playing within Tier 1 of the Football Association's newly created National Futsal Series (NFS). This is the highest possible league within the English Futsal pyramid, giving us the chance to compete for a place in the UEFA Champions League of Futsal.

The Point 4, Hereford will be our home arena for the coming season. This arena has been labeled as one of the best facilities for Futsal in the country, having an international standard pitch, with scoreboard, built in PA, and seating enough for 280 fans.

WFC was founded in 2016 by Paul McHugh, a current player within the England National Partially Sighted Futsal Team. Although still a new entity, the club has ambitious plans to continue building on and off the court.

It is a very exciting time to get involved with the club following the successful application to join the FA's newly created National Futsal Series and we hope that you would like to join us on this adventure.

Yours faithfully,

James McHugh
Technical Director
Worcester Futsal Club

Worcester Futsal Club Official Club Sponsorships 2019-20 Season

Become one of our Official Club Sponsors for the upcoming 2019-20 season with one of our exclusive Official Club Sponsorship packages which are now available for your business!

Our Sponsorship package means that you can show your support for the club throughout the 2019/20 campaign, and receive some great benefits too:

- Your company logo on the Official Club Home **or** Away Kit.
- A signed Home **or** Away shirt from all players at the club.
- 2 free tickets to our home venue matches at Point 4 Arena, Hereford - (10th November & 8th March).
- Your company logo featured on our website & social media with hyperlinks to your website.
- Your company logo featured on our official match day program at home venue events.
- Your company logo featured as a banner at all our home venue events (at least 2 per season).

All these great benefits for just £500.00 (for logo printing on just home/away kit)

Or just £750.00 (for logo printing on both home & away kit)

Kit Sponsorships are subject to availability, so make sure you seal the deal early to get your company's name associated with the club!
